DESCRIPTION

Estovers is an attractive and substantial period property, built circa 1927 with later additions. The property enjoys privacy and yet is not isolated; there are a number of dwellings nearby and the many footpaths and bridleways of Newtown Common can be enjoyed.

A HANDSOME AND IMPOSING PERIOD HOUSE WITH COMMANDING VIEWS OVER THE COUNTRYSIDE, SITUATED IN A PRIVATE SETTING ADJOINING NATIONAL TRUST LAND AND CONVENIENTLY PLACED FOR EASY ACCESS TO NEWBURY, THE A34 AND M4.

The property encompasses wonderful west-facing views. On entering, the spacious and graceful entrance hall provides access to the principal reception rooms which are all beautifully proportioned and of particular note are the drawing room and the family room which have large picture windows in order to appreciate the stunning views. The kitchen/breakfast room is of a generous size with an extensive range of units and with integral appliances and with ample space for family dining. An enclosed walkway leads to both the double garage with bedroom above, which is ideal for a relative or nanny and has its own shower room. This could also serve as a home office away from the main accommodation if required. The first floor has a spacious landing off which are five double bedrooms, two of which have ensuite bathrooms. All bedrooms enjoy a delightful aspect and are well proportioned; there is also a family bathroom which serves the three remaining bedrooms.

OUTSIDE

The property is approached over common land via a track which is flanked by woodland, thereby offering a high degree of privacy. To the front of the house is a parking area with gardens to the front and side and a double garage. The enclosed rear garden is mainly laid to lawn, bordered by some mature shrubs and trees. A large, paved terrace adjacent to the house has steps leading down to the heated swimming pool which is elevated and therefore it is the perfect spot from which to appreciate the stunning views and the afternoon/evening sun. There are several useful outbuildings including the pool room which houses the pump room for the pool and another changing area with adjoining shower and WC.
